

Who are the people in your neighbourhood?

Nally, Ada

Wellington City Libraries, Wellington, New Zealand

In this session Ada will talk about her role as Multicultural Community Customer Specialist for Wellington City Libraries. Ada has been successful in encouraging Wellington's diverse community to participate in library programmes, utilise the wealth of resources and to access the library. She will share some of her community outreach projects at WCL and will give you tips on how to network effectively. Her aim is for all people to feel comfortable to come to the library. You will leave inspired.
