

LIANZA CONFERENCE GRANTS

LIANZA REGIONAL COMMUNITY CONFERENCE GRANTS

Regional LIANZA community conference grants will be offered biennially. These grants will be awarded to each regional LIANZA community to a LIANZA member from that area attending the LIANZA Conference. If a LIANZA Conference Grant is not granted in a particular region for a specific year, it will not be transferred to another regional community and will remain in the LIANZA community contestable fund.

WHAT DOES THE GRANT PROVIDE?

The grant will provide funding towards the costs of attending the bi-ennial LIANZA conference for each of the successful candidates.

This year there are several regional conference grants available for LIANZA personal members.
